STEVE HELLER
DIRECTOR OF MEN IN HIS DESIGN

As mentioned at the 2024 event, as part of our three year plan of rebuilding post COVID and Zephyr, we are moving the annual event back to the Spring each year. I am excited to invite you to the May 2-4, 2025 event where we have Darin McWatters as our key note speaker. Darin is more than excited for this chance to share. I had the chance to do a Zoom call with him and I shared with him the theme that I was thinking about. It is "Now, more than ever". It is built off of Matthew 14, where Jesus tells Peter to come out of the boat and come walk on the stormy waters with HIM. But as you know, Peter looks at the storm instead of the Savior. It is only when they all got back in the boat that they bowed down and worshiped Jesus as the Son of God. I am excited to see our numbers grow back to pre-COVID numbers and look forward to seeing you there.

HARBOR CHURCH
TRAVIS GILLEY

"Men of Harbor! I'm thinking of the definition of retreat. An act of moving back or withdrawing. No doubt many of us are already moving at lightning speed this year. Join us in taking a moment to step back and withdraw from the hustle. To dedicate time toward engaging with the Father and one another. I've had the privilege of working with Darin as well as attending a conference hosted by Men In His Design and I can confidently say, this time will be fruitful. If you have any questions, don't hesitate to reach me at (562) 822-3022."
