STEVE HELLER
DIRECTOR OF MEN IN HD

I am excited to invite you to the Men's Conference on April 24-26, 2026. An event where we have Chris Brown as our keynote speaker. In addition, we have invited back Michelle Watson to lead our seminars on Fathers and Daughters. But wait, there is more. We are launching our 1st ever Saturday Night Meat Fest. Come ready for Smoked Brisket and Sausages. As we embarked on theme building we landed on "Restored". Our goal for the weekend, besides giving you meat sweats, is equip you to come to a point of helping a brother get restored, or perhaps within your own heart and family.

DR. MICHELLE WATSON CANFIELD
HEALTH (PhD) & COUNSELING (MA) PSYCHOLOGY

It was an honor to join you in 2019 and experience your responsiveness as godly men of action. This time I'll be giving you MORE PRACTICAL TOOLS to strengthen the father-daughter relationship, followed by a second workshop on healing fractures from father wounds. My goal is to affirm your leadership in your homes and I'm returning with confident expectation that God will meet us there!

KEN CAMPBELL
CAPITAL CITY BAPTIST CHURCH

"There is probably no better event to where our men at Capital City Baptist Church can go and be connected to other men not only at our church, but churches in our area. The speakers are always top quality and the venues unrivaled. Woodleaf is one of the best conference centers in Northern California. This is a great opportunity to walk with them as they process the messages and ask questions about Christ. This event sells out each year, so sign up early."

CONFERENCE 2026

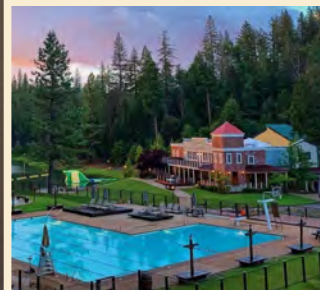

PASTOR

CHRIS BROWN

NORTH COAST CHURCH - VISTA, CA

As a gifted storyteller and Bible teacher Chris loves to use his sense of humor and motivational style to help people truly experience all of the grace and mercy that they have been given in order to fall more in love with Jesus. His life work and ambition is to use his unique gifts and personality to equip people to follow Jesus while building healthy and highly productive teams that serve the local church.

GREAT THINGS TO DO AT WOODLEAF

Basketball Courts, Sand and Grass Volleyball, Pool Tables, Skeet Ball, Table Shuffle Board, it is all available during your Saturday free time.
